Introduction

CF10 Arms Park Supporters Trust was formed in May 2016 and is a democratic and representative forum open for all supporters of Cardiff rugby. We are a Community Benefit Society established under the Act of 2014 and registered with the Financial Conduct Authority.

As such, we are a members' organisation run by members for members. To fulfil that responsibility (and our legal responsibilities) we need the involvement of members in the Trust's work and therefore to be able to contact you.

Agreement

How the Trust uses your personal data is set out in our Privacy Policy and Cookie Policy available in the Documents section on the website. The only data we hold is that provided to us by you when you became a member.

We will hold your data securely in a single database. We will not pass your data to any third party and we will not use it for any commercial or marketing purposes. If we change this policy in the future we will get your express opt-in consent before we share your personal data with any third-party for marketing purposes.
