- 5.3. It is the candidate's responsibility to ensure that their nomination is valid and submitted in accordance with the election timetable. The Secretary should arrange for candidates to be able to check in advance whether those nominating them are fully paid-up members.
- 5.4. Decisions over the validity of nominations shall be a matter for the Secretary's assessment of the membership status of an individual nominating a candidate.
- 5.5. Candidates must also submit a statement in support of their nomination and may also submit a photograph for publication with their statement. The names of those proposing and seconding candidates shall be appended to each candidate's statement. Personal details will be removed.

8. Result

- 8.1 The highest placed candidates in terms of total votes as equal to number of places available for election declared by the Board shall be deemed elected.
- 8.2 If there are as many or fewer candidates than there are places, an affirmative ballot shall be held at the AGM. Each successfully nominated candidate will be put before the meeting for the approval of members. Any candidate not receiving the support of more than half of those present in person shall be deemed to have not been elected. The exception shall be that should the failure to elect any of the validly nominated candidates leave the Board below the minimum required under the Rules for them to act, all validly nominated candidates shall be deemed elected and this declared at the AGM.
- 8.3 The result shall be communicated to members at the AGM.
- 8.4 Successful candidates shall become full members of the Society Board and will be expected to conform to the Board Membership and Conduct Policy.
